THE POWER OF THE MfA COMMUNITY

Outstanding teachers inspire and motivate one another.

MfA creates an exciting learning community that gives great NYC mathematics and science teachers opportunities to lead, grow, and keep doing what they do best – teach.

Learn how you can apply for an MfA fellowship at MathForAmerica.org/apply.

MfA $4 \sum_{k=1}^n \frac{(-1)^{k-1}}{2k-1}$
For master teachers
of math and science
